Instructions on the proceeding paper format:

The label line [Label: Track, Session, Paper number (line left blank)] should be left blank for subsequent filled in by WFC13 staff.

The phrase in italic font:

“Proceeding for the WFC13, Oct 6-9, 2022, San Diego, CA, USA”

must be included between corresponding author email and keyword listing, see template.

5 keywords/phrases should be included for ease of referencing.

An ABSTRACT must be included with the WFC13 proceeding paper. The abstract page, including label, title, authors' listing, affiliations should be no more than one page.

Sections on respectively, INTRODUCTION, APPROACH, RESULTS, INTERPRETATIONS, DISCUSSIONS, CONCLUSIONS may include text, equations, figures/illustrations/photographs, tables, etc.

All contributions including financial support should be listed in the ACKNOWLEDGEMENTS section.

The text should be referenced with all detailed listing of references listed in REFERENCES section at the end of the proceeding paper.

The entire manuscript should be page numbered using Word “insert”, “page number” selecting the “bottom of page” option.

The text needs to be presented in 12-size Arial fonts throughout.

The “multiple line” option should be selected with left justifications for paragraph format in Word.

The length of the proceeding paper should be between 4 and 15 pages.
